LED Pendants

Simplistic Ideology.
Precision Craftsmanship.
Alluring Illumination.

The M+D Collection combines a seamlessly flowing aluminum housing with energy-efficient LED technology to provide fully dimmable glare-free illumination. Pairing design aesthetics with balanced illumination, these versatile pendant luminaires have just the right look and proportion for soaring office spaces, restaurants and bars, hotels, retailers, and campuses.

Since 1985, ANP Lighting has been skillfully integrating design aesthetics, engineering excellence, and advancing technology to manufacture the industry's only all-LED line of decorative architectural lighting and warehouse-inspired RLM fixtures. With our privately owned foundry and spinning facilities and in-house engineering department, we can quickly and cost-effectively modify any product to deliver an affordable custom solution. We empower architects, engineers, and specifiers to meet the growing demand for energy conservation, sustainability, and environmental design inspiration.

We design and manufacture the largest selection of LED decorative architectural lighting available today, including luminaires, bases, poles, and bollards, and are recognized as the #1 manufacturer of RLM fixtures and mountings in the industry.
